Thanks, Dennis! I was not aware that it had been assigned to Garen, but will do.

Garen, if you can provide an estimate, even a range, it will help me make sure we're lined up to turnaround our review asap. We were geared up to start this past weekend and are just trying to regroup/re-prioritize our workload. Thanks!

Warmest regards,
Tara

I just wanted to check in and see if you have an estimate on the return of the database.

I hope everyone had a great Presidents' Day weekend!
